APPLICATION INTERN

EDUCATION

Ellisras Hoërskool

Bachelor Pass Matric Certification

2020

Cape Peninsula University of Technology

High certification I'm in formation Communication Technology

2021

Cape Peninsula University of Technology

Diploma Information Communication Technology in Application
Development Practice

2024

CAREER OBJECTIVES

I am an IT student with a strong interest in technology and a desire to contribute to the organization's success. I am confident in my ability to make a positive impact in any IT-related role with my technical skills, knowledge, and experience.

Am currently pursuing an advance diploma in information Technology in Cape Peninsula University of Technology which am majoring ADP(application development practice).

I am passionate about learning and expanding my expertise and understanding of information technology and development.

WORK EXPERIENCE

Brilliware

Internship at brilliware

2023 - 2024

During my internship, I gained practical experience in React Native, a JavaScript framework for building cross-platform mobile applications. I successfully developed user interfaces (UI) utilising React as well as exposure to version control systems and agile methodologies
